Sacramental Policies

All families must be registered at St. Rita Church to be eligible for enrollment in the Confirmation program. Per diocesan policy, Confirmation preparation must take place over two years, in a community setting. Catholic school students will cover most of the content addressed in regular sessions at school, but are included in all other Confirmation program events. Home study is only available to children who have a significant barrier to participating in a group setting. Candidates must celebrate First Reconciliation and First Eucharist prior to Confirmation; preparation will be available through separate events outside Confirmation sessions.
