2019-2020 Program Changes

*To better suit your family's busy schedules and to fulfill diocesan policies, we will offer **two** options for Traditional Program session times this year, and our sessions will be longer. Home Study candidates are welcome to join the Traditional Program or to remain in the Home Study Program. Traditional Program candidates may not switch to Home Study unless there is a new development in their lives that is a significant barrier to their participation in a group setting. Per diocesan policy, parishes may not offer home-based Confirmation programs. Current Home Study candidates will be allowed to continue as an exception to this policy.*

Please check ONE:

- My teen was enrolled in the Traditional Program last year, **and will continue in the Traditional Program in Year 2 (this year).**
- My teen was enrolled in Home Study or Catholic School last year, **and will switch to the Traditional Program in Year 2 (this year).**
- My teen was enrolled in the Home Study Program last year, **and will continue in the Home Study Program in Year 2 (this year).**
- My teen was enrolled in Catholic school last year, **and will attend Catholic school again this year.**

Please use this space to describe your child's needs related to physical or mental health, disability, neurodiversity, allergies, or special needs. It is the parish's responsibility to provide a safe and inclusive environment for all children.
